Please make sure that you demonstrate your ability to meet the requirements of the job by giving clear, concise examples of how you meet each criterion on your application form.

The letters A and B **in the “Rank” column refer to the importance we will give your answers when we read your applications.** You must have all the A’s when starting the job to be able to do the job, you need to have all the Bs to do the job, but they could be learnt during the induction.

We recognise and welcome our responsibility to remove any barriers in our Recruitment and Interview Stage for disabled people. We have tried to do this, but if you are disabled and identify any barriers in the job description or employee specification, please tell us of these in your application.

We are committed to making reasonable adjustments to the job wherever possible and it would help us to know your needs to do this.

There may be some criteria that are ranked but are only identified through Interview Stage only. These criteria have been ranked to provide you with some guidance as to how important that aspect is, but you will only be assessed on those criteria during the Interview Stage and not from your application form.

Where criteria are to be identified through the “Interview Stage”, this may involve written exercises, practical tests, group discussions, presentations, interview etc.
